Scheme 2: Part 3

R

Focus questions for presentations

Street furniture group

Questions to think about when you are preparing your presentations.

- What different types of street furniture did you find?
- Are they being used now?
- What are they for?
- If they are old, what do they tell us about how people lived when they were put there?

Comparing old and new group

Questions to think about when you are preparing your presentations.

- Which buildings did you compare?
- How could you tell which was older?
- What was different about them?
- Why do you think they are different?
- What was the same?

Changed buildings group

Questions to think about when you are preparing your presentations.

- How could you tell which buildings had been changed?
- Which bits do you think were original? Why?
- How could you tell which bits were newer?
- Why do you think the buildings have been changed?
